We have now an band a large stock of goldword five me is a served to pattern the control of a control to the control of a con

letter from the distinguished author, J. S. C. Abbott, in which be appeals from the judgme we rendered upon his "Napoleon at St Helera a full and thorough survey of the whole . he and we can maintain the sentiments then uttere his "Napoleon at St. Helens" and Sir Hudeon call in question the fact that he made his quot ble that they can be worthy of absolute cred-

Mr. Abbott has prohably seen or read enoug of legal proceedings to know how finely wa nesses get along sometimes in direct testimor and how irretrievably the same witnesses brea the Journal. He depends upon the direct tes

## LOUISVILLE

WI DNESDAY, FEB. 6, 1856.

Can be implicitly believe Las Cases, Montholo ourgand, and the rest of the Emperor's suite after the reve Luons they have made upon ther on has backed right out of some of the op-one expressed by him in Congress in 1850. He atill asserts that Congress has a constitutional difference in the credence we give to the state right or the constitutional power to impose the Wilmot or anti-slavery provise upon a Territory coming into the Union as a State, and, that the Territorial Legislature has the power to proluitithe existence of claracteristics. it the existence of slavery, but he backs out from his assertion of five years ago, that, slave-ry heing the creature of municipal law, slaves excessarily become free by being taken to terri-tory where no law, here the strength of the tory where no law has been enacted upon the witnesses against men of honor, tr The doctrines which Richardson still avows are what the Southern Democracy have ever denounced as an atrocity and an abomination, and we presume that none of the people of the U sted States are so stupid as not to understand, that, in all probability, he has retreated as an open it agents to use can read what Nr. Abbott calls Sir Hudson Lowe's "tedious documents," and no open it agents to use can read what Nr. Abbott calls Sir Hudson Lowe's "tedious documents," and no open it agents to use can read what Nr. Abbott calls Sir Hudson Lowe's "tedious documents," and no open it agents to use can read that the second termination is the second termination in the second termination is the second termination in the second termination is the second termination.

that, in all probability, he has retracted the others simply to reconcile the South to himself and his freeds in this particular political emergency. The Northern Democracy want the aid and alleance of the South; and their leaders, such as Richardson and Douglas, will back out or pretend to back out from almost anything under heaven for the sake of it. Richardson, who asserted so bolly and defiantly in 1850 that slaves are instantly free if taken to any territory of the linited States where neither Congress nor the United States where neither Congress nor the squatter sovereigns have enacted a law to author. ize or estab sh slavery, now says, to conciliate the South, that he no longer thinks so—that he has changed his views! But who can have a panel with the south, that he has changed his views! But who can have a panel with the south, that he has changed his views! But who can have a panel with the south, that he has consulted his views! But who can have a panel with the south, that he has consulted his views! But who can have a panel with the south, that he has consulted his views! But who can have a panel with the south, that he has changed his views! But who can have a panel with the south, that he has changed his views! But who can have a panel with the south, that he has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has changed his views! But who can have a panel with the south has can have a panel with his panel with the south has can have a panel with his panel wit my iews endorsed as jist and commendable amount of its with the first that the American Tract amount of its with the same and months ago.

Mr. Abbott refers to Napoleon's ideas of religion and to the fact that the American Tract are with the same and the change his with the same and months ago.

Mr. Abbott refers to Napoleon's ideas of religion and to the fact that the American Tract are with the same and the same are the same and the same are temptible than the late sudden conversion of the ligion and to the fact that the American Tract late. Washington, Feb. 5.

Senate —Mi. Clayton presented a resolution proving for an appropriation for the punchase of 200 cords of wood, to be paid for out of the contingent fund, and distributed to the suffering Mr. Savage and proporpiation as a perversion of that fund Mr. Clay moved as an amendment that the poor of Washington City.

Mr. Clay moved as an amendment that the poor of your city, I proposed this morning of my own and several boarding with us, purples of my own and several boarding with us, purples of my own and several boarding with us, purples of our seminary—to make contribution and you herewith have the result, \$11 15. You would be paid out of the perportation should be paid out of the members voting for the resolution.

Mr. Weller hoped that the Senators would individually contribute for the resolution was tabled by members, and on his motion the resolution was tabled by members. The University of the Millerskerks, Ky., Feb. 2, 1856.

The Massico to vera Crizzato was board in Purples of the Disard the Texas. Chroumstance what moditied the accuracy of the three called the Texas of the three called the Texas. Chroumstance what moditied the accuracy of the three called the Texas of the control that the Texas of the three called the Texas of the control that the Texas of the three called the Texas of the three called the Texas

lay on the table the resolution offered yesterday by Mr. Nichols, declaring J. Glosbrenner Sergeant at Arms.

To the Editors of the Loutsville Journal Gentlemen: 1 bave received through WASHINGTON, Feb. 5.
The Senate to-day confirmed the appointment of Hon. Geo. M. Dallas as minister to Eugand.

PHILADELPHIA, Feb. 5.

PHILADELPHIA, Feb. 5. February 5, 1856.

MEDITATED STAMPEDE OF GERMANS FROM
TEXAS TO MEXICO - The New York Thoses of
Thursday has an article on German emigration
from Texas to Mexico. The San Antonia of a movement among the num rous German settlers in Texas, which has fer its object an emigration en mour, across the Discount of German dof Gentuan and Orollos and implication. emigration en mane, across the Rio Grande. co, where the most inducing advantages are of- | command, which deserted him and pa fered them by the authorities. Mr. Riotte, an eminent German jurist, one of the extled revolu-

THIRTY-FOURTH CONGRESS—FIRST SUSSION.

Twesday's Proceedings Concluded.

Washington, Feb. 5.

Senate—Mr. Weller introduced a bill authoring the comage, at the San Francisco mint, of tions of \$100 and half-unions \$50 value, made normably to the standard of gold coins, and be received as legal tender.

The Senate then resumed the consideration of Central American question.

Tr. Foot, although not an advise.

CINCINNATI, Feb. 5.

The nine Lisbmen on trial here for sometime charged with violating the neutrality laws, were discharged to-day by Judge Leavitt.

Easton, Feb. 5.

The election for the officers of the Lehigh Valley railroad was held to-day, and resulted in the selection of W. W. Longstreth, of Philadel religious as president.

the selection of W. W. Longstreth, of Philadel-delphus, as president.

Concord, Feb. 5.

The American convention re-nominated Mr. Metcalfe for Governor, and Messrs. Greenleaf and Cummings for Railroad commissioners.

A large mass meeting was held this afternoon. Jno. P. Hale and Amos Tuck were anougst the speakers.

Boston, Eeb. 5.

The American State Council this afternoon chose Elibu C. Baker, president of the Sensity and A. A. Richmond, delegates at large to the Philadelphia convention. The Council declined to instruct the delegates, but reaffirmed the Springfield platform.

New Orleans, Feb. 5.

The Texas steamer has arrived. The news is unimportant.

legislature who were in the car, escaped with slight injuries.

CLEVELAND, Feb. 5.
The Lake Shore railroad, from Cleveland to Dunkirk, and New York and Eris road are blocked up hy show near Perrysburg. The State Line road is closed between Silver Creek and Buffalo. Notrains have been through since and Coahnila, for the purpose of founding at colony there. The Times says:

The weekly statement of the average of the back sof this city show the following increase: Loans \$1,083,000, specie \$\pmu^2\tilde{\chick}\tilde{\

The rules of the last House were anopseum to every class of our community.

The sale will be continued this morrunts, commencing at 10 of clock. Those who use machinery and tools should attend 9.

Last nightly passenger train from Frank-fort was detained by the breaking of an arked of the freight train, which was ahead of it. It got in arter 10 of clock.

We learn verbally that the hill amending the such possible of the such as the freeding was a fine to the freight train, which was ahead of it. It got in arter 10 of clock.

We learn verbally that the hill amending the freeding and the community of the freeding was a fine to fill the mending of what President Pierce would designate as the fill the mending of the fill the fill amending to the freeding was of Mr. Buchanan—first, last, and all the number of All. Buchanan—first, last, and all the number of All the elected of the shuttened as now accancies, as the Secretary remarks, and no nominations have be

The result of the position of the company of the co

pete with the world.

But why talk about it? Let the Legislatu now in session, incorporate a company, clothe with ample powers to open a race or races an prepare mill-seats, and sell or rent water power prepare mill-seats, and sell or reit water power, upon moderate and inviting terms, and very soon capital will dow in from various directions. Scores of mills of various descriptions will be erected, and Louisville will double, treble, ame perhaps quadruple her business and her population in a very few years. Nor will this enterprise involve burdensome taxation or any unprofitable outlay of means. KENTUCAY. Louisville lasurance Company,

LATER FROM TEXAS —The steamship Charles Morran arrived this morning, from Indianola and Galveston the 28th inst.

Our dates from Galveston are to the 25th, but we find nothing important in the papers.

Gov. Pease has vetoed the act amending the act supplementary to the act incorporating the Heuder on and Burkville Raifroad company.

The late cold weather, says the News, was very severe on the upper Brazos. A letter from Fort Belknap says the nother set in on the 23d s dienly, when windows and doors were open on accurn to freat, and in a few moments the cold was paralyzing, killing horses, calves, and chickens, and frost-biting several persons exposed to its merciless fury. The Brazos froze strong enough to bear up a horse. The mercury at suntise on the 25th was I deex, on the 25th of eg., on the 25th of eg., on the 25th of eg., and during the time a fierce wind blew from the N. LATER FROM TEXAS -The steamship Charl
